About The Institution

Meenakshi Sundararajan Engineering College (MSEC), established by the IIET Society, is built on the core principles of being “Industry Ready” and fostering “Vibrancy.” Spread across a lush 15-acre campus, the institution provides a dynamic and inspiring environment for learning and growth. MSEC is dedicated to nurturing self-aware and capable learners. If children represent the future, then education shapes that future. By designing education around the needs of students, rather than forcing them to fit into rigid systems it lays the foundation for a world driven by creativity, diversity, independence, and compassion. The curriculum emphasizes continuous learning through active engagement with real-world situations and challenges.

Vision

Rooted in a 75-year legacy, MSEC shapes fearless individuals for a new era of human potential. Through transformative education, it empowers learners to innovate, inspire, and lead. It strives to elevate the nation and enrich the world sustainably.

Mission

MSEC nurtures fearless, future-ready individuals. It combines strong learning with real-world skills and innovation. It empowers every student to realize their unique potential.

Why MSEC ?

We are Autonomous

Students have the flexibility to choose their learning path and pace. Being autonomous status offers a transformative learning experience, empowering students to craft their own academic path through our innovative Choice-Based Credit System. This flexible framework allows you to:

- Industry centers of Excellence - HCL, L&T, FANUC, Siemens, Virtusa, Kwick SOFT and more
- MS-IIC Innovation & Incubation center SAE - H-Baja E-Baja, Hackintym, InnovateX, Solar Project, ElevateX
- 21 Japanese companies visited campus for recruitment in 2024-25
- #1 in Chennai District | #7 in Tamil Nadu - Anna University Academic Rankings
- 350 KW Solar Campus - green, sustainable, and live in the heart of Chennai
- Mandatory internships in 2nd & 3rd year
- Professional and Open Electives for Hons. and Minor Specialization
- 11+ clubs managed by Students
- Collaborative spaces - indoors & outdoors like Sporthubs - cricket, badminton, volleyball, basketball, pickleball, padel ball, archery, shooting range, and much more.
- Meditative and Yoga spaces, Gym and wellness center.

UNIVERSITY TIE-UPS

Programmes Offered

Undergraduate Engineering Programmes (B.E. / B.Tech.)

- Civil Engineering
- Mechanical Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
- Computer Science & Engineering
- Information Technology
- Artificial Intelligence & Data Science (AIDS)
- Artificial Intelligence & Machine Learning (AIML)
- Cyber Security

Postgraduate Programmes (M.E.)

- Energy Engineering
- Construction Management & Engineering
- Computer Science & Engineering

“We don’t just create engineers we create futures.”

Industry Center Of Excellence

center for Advanced / Specialisation Laboratories

EEE	Drone, Electric Vehicles (EV) EV & Smart Grid	  
MECH	Robotics Manufacturing ICAD (5G / German)	
JOURNALISM	Podcast / Studio, Multimedia	
GENERAL	MATLAB	

Our Centers of Excellence

CENTER FOR INDUSTRY-INSTITUTE COLLABORATION (MS-CIIC)

Bridging academia and industry using industry linked skill development & curriculum deployment, through world-class Industry centers of Excellence (ICE) in:

- Cyber Security
- Cyber Forensics (Panchhi)
- Robotics
- IoT (Kone)
- CloudComputing (Anantha)
- AR/VR (Vi Micro)
- Advanced Manufacturing
- (Ace/Siemens), and more

MEENAKSHI SUNDARARAJAN CAREER (MS-CDC)

A dynamic career and faculty development center driving academic excellence toward global impact. MS-CDC empowers students to excel through tailored career workshops, internships, faculty training programmes, international academic collaborations, industry fairs & more.

MEENAKSHI SUNDARARAJAN INNOVATION & INCUBATION CENTER (MS-IIC)

Partnership with T-HUB and Wadhvani Entrepreneurial Network to turn ideas into groundbreaking ventures. Apart from design and operation of the "Entrepreneurship" program, the center also handles innovation and mentorship programmes across the campus.

SRI SANKARA MEENAKSHI SUNDARARAJAN RESEARCH CENTER (SSMRC)

Recognized as Research Institute by Anna University, it cultivates an intellectual research culture that encourages innovation, inquiry, and impactful scientific excellence. By fostering a collaborative environment, SSMRC drives impactful research, across the campus.

Grade system boost to colleges

Engineering College (94.54 per cent), SSN Engineering College (94.15 per cent), and Prince Sri Venkateswara Padmanvathy Engineering College (93.74 per cent), are among the top colleges in all the semester examinations conducted from 2004 to 2008.

In terms of grade system, which was introduced in the academic year 2008-09, Panimalar Institute of Technology (98.91 per cent), Panimalar Engineering College (98.47 per cent) are among the top

data is out, but it's far from student-friendly

When asked for results of a few highest pass percent Mannar Jawahar Chawla, chancellor of Anna University (Chennai), apprehension was removed once semester results were released in future the new regulation system.

Distinguished Alumni - A notable few...

01 Ms. Akshaya Shanmugam
(ECE 2005-2009 Batch)

CEO of Lumme Inc. Listed in 2018 Forbes list, under the category '30 under 30' for her contribution to healthcare sector

07 Mr. Vivek Koparthy
(ECE 2007-2011 Batch)

Co-founder of Neolight Listed in 2017 Forbes list, under the category '30 under 30' for his contribution to healthcare sector.

02 Mr. S. Prasad
(CSE 2009-2013 Batch)

Director, Product Development, Bit glass
Former Software Engineer,
Microsoft

08 Ms. S. Buvaneswari
(CSE 2007-2011 Batch)

IAS 2015 batch, Maharashtra cadre,
Assistant Collector,
Kolhapur

03 Major. Isleen Kaur
(EEE 2007-2011 Batch)

Major, Indian Army

09 Dr. C. N. Nachiappan
(CSE 2006-2010 Batch)

Researcher and Engineer,
Apple

04 Ms. Krithiga
Seenuvasan

IFS, Indian Forest Service,
District Forest Officer,
Tiruchirappalli

10 Mr. K. Ramesh Kannan
(CIVIL 2003-2007 Batch)

Assistant Professor,
Geotechnical Engineering Division,
IIT Madras Research Associate,
Department of Engineering,
University of Cambridge

05 Ms. Lalitha Ramesh
(IT 2005-2009 Batch)

Senior PM, Cloud Platforms Intel Corporation,
San Francisco

11 Mr. Abhinav Balaji
(MECH 2011-2015 Batch)

Technical Program Manager,
Apple

06 Ms. Sindhuja Vijayaraghavan
(EEE 2009-2013 Batch)

Lead Engineer - Energy
Automation Services,
Croonwolver&dros,
Netherlands

12 Mr. Jithin Chandran
(MECH 2012-2016 Batch)

Indian Air Force
