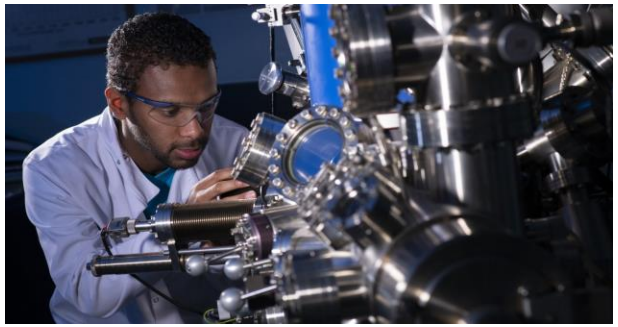
Dr.A.Velayudham, Retd Addl Director, Manufacturing, CVRDE and Visiting Prof, Anna University

A FIVE DAY NATIONAL LEVEL FACULTY DEVELOPMENT PROGRAMME

On

"Testing of Materials for Engineering Applications"

22nd – 26th June, 2020



Organized By

DEPARTMENT OF MECHANICAL ENGINEERING

About the Institution

Prof. K.R. Sundararajan, one of the eminent educationists of South India, established Indian Institute of Engineering Technology (IIET) in the year 1947 when there were only a few Engineering colleges in the state and young aspirants could not find opportunities to become engineers. Prof. KRS guided them to fulfill their dreams to become full-fledged engineers through the AMIE program. In his last years, Prof. KRS had a dream of starting a full-blown Engineering college to give quality education in various branches of the engineering.

About the Department

The Department of Mechanical Engineering was started in 2011-12. The department's endeavor is to develop its students to be `industry ready` when they graduate. Students of mechanical engineering department gain industrial exposure and are prepared to face future challenges by carrying out their Final Year Projects work in various PSU/Private sectors as per their field of interest. The department has memorandum of understanding with various Institutions, Industries and Research organizations for collaborative research and development work.

Vision of the Department

- To develop creative mechanical engineers by providing quality education, research and ethical values.

Mission of the Department

- To provide conducive environment and facilities for academic activities and preparing students for diverse careers.
- To develop collaborative research with industries for excellence in research and consultancy practices
- To provide education in advanced technologies according to the changing needs of the society

SCHEDULE

Day 1: 22nd June, 2020

Topic: Mechanical Testing

Mrs.M.Malathi, Senior manager R&D, IPR

Day 2: 23rd June, 2020

Topic: Testing of Renewable Resources

Dr.E. Natarajan, Professor and Dean, College of Engineering, Anna University.

Day 3: 24th June, 2020

Topic: Non Destructive Testing of Railway Rolling Stock Wheels and Axles

Dr.P. Etraj, Senior Section Engineer, ICF, Indian Railways.

Day 4: 25th June, 2020

Topic: Material Characterization and Thermal Testing

Dr.A.Velayudham,Retd Addl Director,Manufacturing, CVRDE & Visiting Prof., Anna University.

Day 5: 26th June, 2020

Topic: Quality in Automotive Industry Six Sigma Perspective

Mr. R. Vasu, Vice President, Brakes India.
