Academic Year: 2019-20

Please indicate your feedback (✓) using the following scale:

4-Very Good 3-Good 2 -Satisfactory 1-Fair

S. No.	Parameter	4	3	2	1
1	Whether the Curriculum is effective for the students in developing innovative thinking?	✓			
2	Is the curriculum adequate for the students to become entrepreneurs?			✓	
3	Is the Curriculum and syllabus relevant for employability?		✓		
4	Is the syllabus compatible with the real world problems?		✓		
5	Whether the syllabus meets the industry standards?		✓		

Any Other Comments/ Suggestions:

The syllabus is structured in a way to accommodate the fundamentals of engineering in early semesters while students are exposed to the most critical knowledge and skills that well-align with the current industry standards in the mid to last semesters thus guiding them to be job-ready with the active skills expected from students, especially during the campus recruitment season, which is appreciable.
