REPORT

In the year 2016, the highest package of 4.9 Lakhs/Annum was offered by Verizon for the students of Meenakshi Sundararajan Engineering College. The number of core companies that visited our campus during the year 2016 was low. Hence The TPC has decided to improve the following

- To improve the number of core companies visited
- To achieve the higher salary packages

To achieve these goals and also to enhance our student's potential, we implemented a strategic training plan with the following ideas:

- Exclusive hands on training in programming and problem solving using C.
- Increased the duration of training sessions.
- Motivational career talks and mock interviews organized by alumni.
- Strengthened our students in aptitude and logical reasoning.
- STEP workshop conducted by Sirius Computer Solutions.
- Gave the students an in depth training in their core subjects.
- Enriched their knowledge with content beyond syllabus.
- Initiated workshops and seminars on current evolving trends.
