3. Fire Extinguisher

MSEC installed portable fire extinguishers at each conspicuous location of the campus with one of India's most trusted fire safety and security companies – Ceasefire.

The installed extinguishers in our college are ABC powder based extinguishers. ABC powder is made of an extinguishing agent mono ammonium phosphate mixed with ammonium sulphate. These types of extinguishers are most suitable for fighting against Class A, B, C and electric fires.

The locations of installed portable fire extinguishers are given below:

7.1.1. (B) COUNSELLING

1. Counselors (Internal and External)

Counselors aid the academically weak students and the troubled students to handle the issues related to their personal and academic performance. External counseling proactively supports to identify problems of the students and to bring them to the notice of the concerned authorities. Regularity and punctuality of students is ensured through counseling sessions.

1. Dr.K. V.Ramanamma – Retired Principal, Meenakshi College for Women
2. Ms.N.Jayalakshmi – Retired Head Minister, Corporation Primary School, Pulliur.

17 faculty members from all departments are assigned as internal counselors.

2. Mentoring system

Mentors take the responsibility of communicating to students the importance of academics in vivid and realistic terms. Mentors provide counseling, guidance, information, and support services to meet the students' developmental needs. Each faculty mentor is assigned a group of 20 students to ensure effective counseling.

Regular mentees meetings are conducted to observe the progress of every student. A report card is maintained for each student with personal and academic data. Students are allowed to approach the mentor for both academic & personal problems. Personalized professional /career advice is given to the mentee.
