Student Satisfaction Survey

970 responses

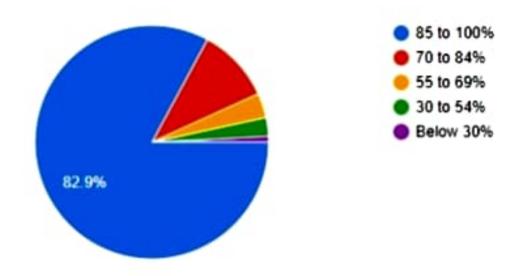

Publish analytics

How much of the syllabus was covered in the class?

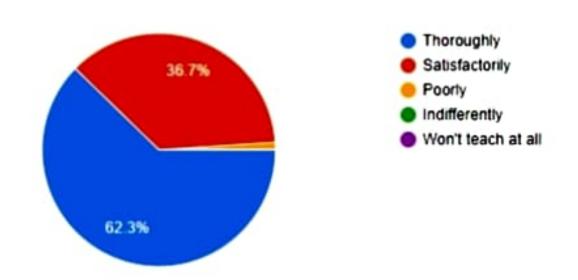

Copy

970 responses

How well did the teachers prepare for the classes?

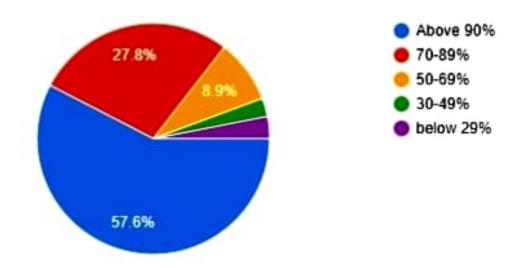

Сору

What percentage of teachers use ICT tools such as LCD projectors, multimedia, etc. while teaching?

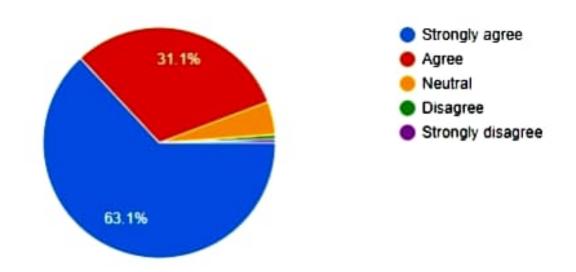

Сору

970 responses

The overall quality of teaching-learning process in your institute is very good.

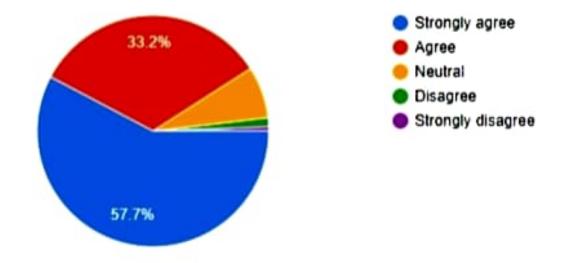

The institution provides multiple opportunities to learn and grow

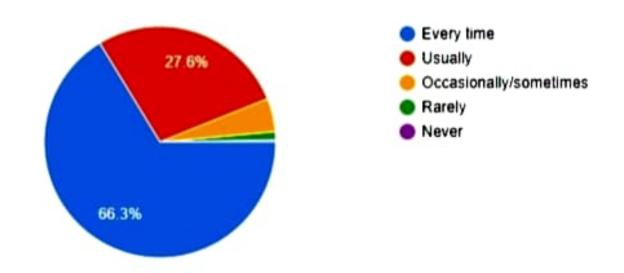

Сору

970 responses

Teachers inform you about your expected competencies, course outcomes and programme outcomes

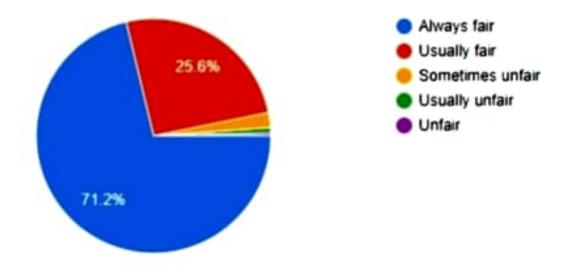

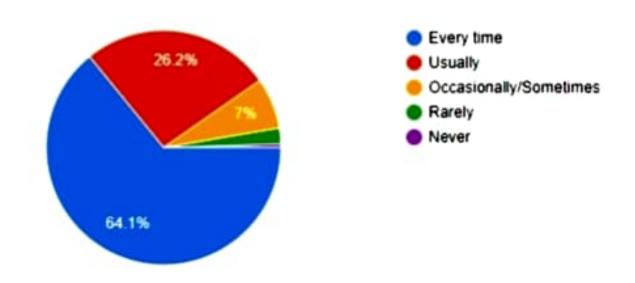

970 responses

Was your performance in assignments discussed with you?

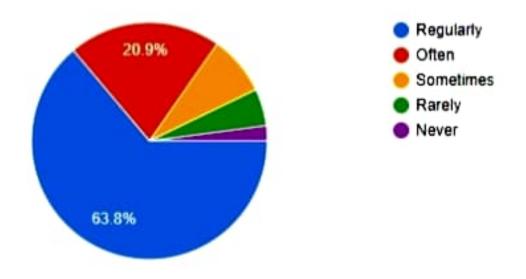

The institute takes active interest in promoting internship, student exchange, field visit opportunities for students

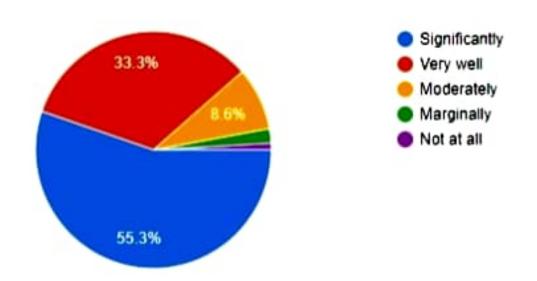

□ Сору

970 responses

The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth

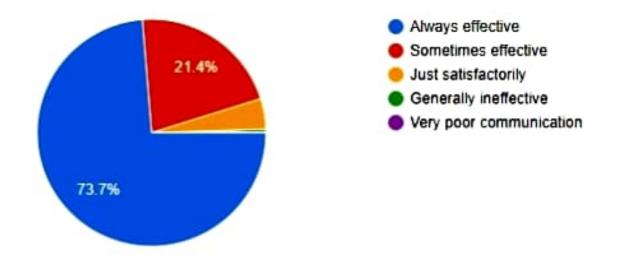

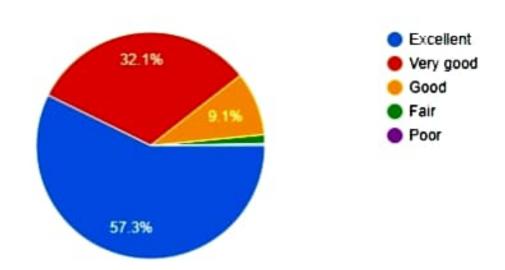

970 responses

The teacher's approach to teaching can best be described as 970 responses

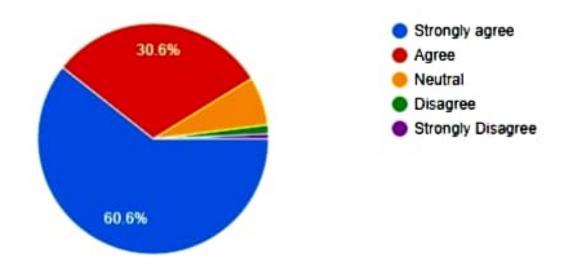

The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

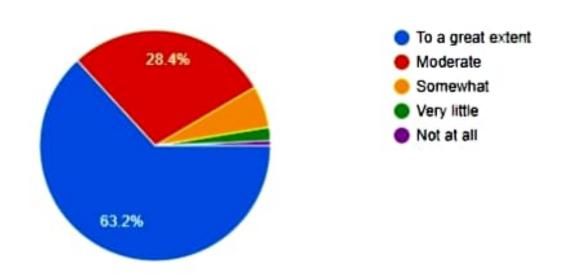

Сору

970 responses

The institute/ teachers use student centric methods such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

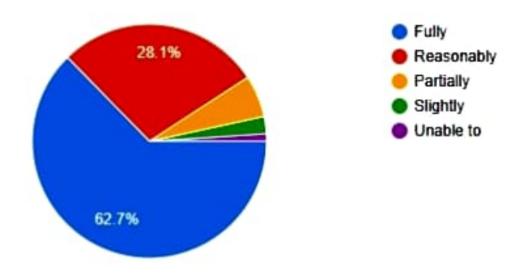

The teachers identified your strengths and encourage you by providing right level of challenges

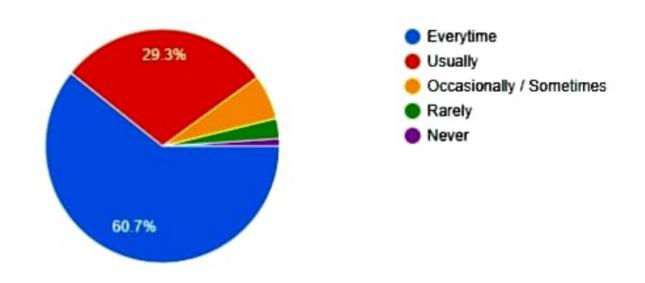

Сору

970 responses

Teachers are able to identify your weaknesses and help you to overcome them.

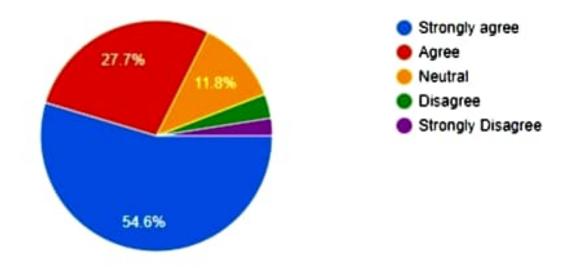

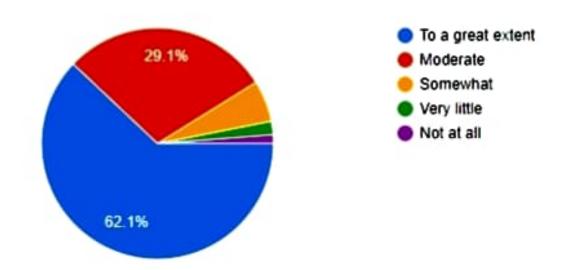

Teachers encourage you to participate in extracurricular activities.

Сору

970 responses

Efforts are made by the institute/ teachers to inculcate soft-skills, life-skills and employability skills to make you ready for the world of work О Сору

Your mentor does a necessary follow-up with an assigned task to you
