The poster features a central image of a man in traditional orange attire, likely representing a youth leader or a historical figure. The background is a gradient of orange and yellow. The text is arranged in a clear, hierarchical manner, starting with the organizers' names and logos, followed by the event title, speakers, date, time, and venue. The bottom of the poster has a silhouette of a crowd cheering.

Yuva Sakthi Republic day Program

Yuva shakthi is an organization that conducts various programs for the empowerment of youth every week. The session started with a flag hoisting and a patriotic song sung by myself and my classmate Maya.M and a brief introduction about yuva-sakthi and their activities was given by Ms. Sithara.

The session then proceeded to an amazing explanation about Article 1 of Indian Constitution by a well known lawyer. And we the participant began to put forth our opinions and examples. The session was highly interactive with a lot of constructive ideas and talks with like minded people.

I thank the college management for this amazing learning opportunity and also thank my Class in charge Srividya mam for selected me to attend this program.

FEEDBACK ABOUT YUVA SHAKTI PROGRAM

I'm very thankful for this program it is very useful and informative. Thirukurals from "irandu adi vangai kol" is very easy to understand since it is in simple tamil and it has pictured explanation. I knew very little about Bharathiyar but after the session I came to know about his impact in people's lives and contribution to women's freedom. Thank you for this session.

Yuva Sakthi Webinar

Yuva shakthi conducts online program for the empowerment of youth every week. The session started with a prayer song by Ms. Janani from Yuva Sakthi and a brief introduction about yuva sakthi and their activities was given by Ms. Sithara.

The session then proceeded to an amazing explanation about the book on thirukkural that was published by Yuva Sakthi, this was done by Ms. Nilofer Haseena.

Then Ms.Kayal from Yuva Sakthi proceeded to talk about The great freedom fighter and poet Subramaniya Barathiyar. We the participants were also given the opportunity to share our thoughts on Barathiyar and state our favorite poetic lines.

The session was immensely useful for me and I also learnt many new things about Barathiyar. I thank the college management for giving me this golden opportunity to take part in Yuva Sakthi webinar

FEEDBACK ON YUVA SHAKTHI PROGRAM

In this program they spoke about thirukkural and mahakavi bharathiyar's poems. There are totally 1330 kurals , from it they took some as examples and gave a brief explanation about it. They shared their knowledge with us. Yuva shakthi program's main motive is to inspire the young minds (genZ) and to educate about tamil cultures and programs. We all know the greatness of thirukkural, pride of tamizhans , they spoke about it very well. They chose the kurals very wisely. It was very inspiring. From the program we learnt about Humanity , Tamil culture, Discipline, Cultural activities and few. Taking kurals into considerations for a successful life is very important. They had few volunteers , who spoke very well about humanities, good values and importance of Tamil. They took each and every enthusiastic kid seriously and accepted their point of view in the topics discussed. They gave opportunity to share their point of view.

After this session, We as students, feel very energetic and motivated. The urge to do something good for the society is very high. The program was very interactive, student friendly, they kept us engaged for the whole session. They spoke about the greatness of Mahakavi Bharathiyar and his poems/ kavithaigal, his struggles to build a good society and his interest in women empowerment. They asked us to share the known poems of Bharathiyar.

Many students participated in the discussion. They said " Thirukkural can be applied in past, present and future.", which is very true. It makes so much sense and gives us immense values. The young volunteers motivated us to even join the Yuva Shakthi group. We enjoyed it a lot and it was very motivating. Thanking the volunteers for such wonderful sessions looking forward to many.

I would like to thank our management and secretary mam for giving us this wonderful opportunity. And I would like to thank our class teachers for encouraging us to attend programs like this. Looking forward to many.

FEEDBACK ABOUT YUVA SHAKTHI PROGRAM

RECENTLY , I HAD ATTENDED YUVA SHAKTHI PROGRAM. I DID MY SCHOOLING AT BETHEL MATRICULATION HIGHER SECONDARY SCHOOL . IN MY SCHOOLING , I HAVE LEARNT MORE ABOUT BHARATHIYAR AND THIRUKURAL (VALLUVAR). I INSPIRED AND THE LOVE I HAD ON MY TAMIL LANGUAGE , I HAD CHOSEN TAMIL LANGUAGE IN MY HIGHER SECONDARY (AS A SECOND LANGUAGE) . NOWADAYS, MANY TAMIL POETS ARE DECREASING IN NUMBER. I AM SO HAPPY THAT THIS PROGRAM IS MOTIVATING THE YOUNG MINDS TO KNOW MORE ABOUT TAMIL LANGUAGE. THEY SHOWERING THE KNOWLEDGE OF TAMIL WORDS , MEANING AND THEIR TASTE OF LANGUAGE BY KEEPING BHARATHIYAR AND THIRU VALLUVAR AS THEIR KEY . I KNOW THAT THE PROGRAM IS ABOUT BHARATHIYAR AND THIRUKURAL (VALLUVAR) . THE YOUNG GENERATION WHO JOINED THE MEETING WOULD REALLY COME TO KNOW THAT HOW GREAT POETS BHARATHIYAR AND VALLUVAR BY THE WAY OF WRITING AND EXPRESSING THEIR OWN FEELINGS THROUGH OUR TAMIL LANGUAGE. THEY ARE THE BACKBONE OF OUR MOTHER TONGUE BY THEIR MEANS OF LANGUAGE. I'M STILL WONDERING HOW COULD THE ONE VALLUVAR CAN TELL SOLUTION TO OUR DAILY DAY ACTIVITIES THROUGH HIS THIRUKURAL .

Feedback about Yuva Shakthi Youth Empowerment Program

It was the first time to attend this type of program,
I enjoyed this program as it is very interesting and very
Curious. They introduce a new book called IRANDADI
EDUTHU KOL which was free to all who attended the program
And they explain few topics especially 10 kurals which are
Useful for every youth life, for choosing good path and leading
Good life. Members of yuva shakthi gave equal importance to
speak about their favourite quotes or poetry about Bharathiyar
which made me happy, I also said a few lines of Bharathiyar
Kavithaikal(poetry). They encourage everyone by not interrupting
Anyone conversation which made me a good sense about them.
Atlast the host of program clarifies the lines said by participants.
The host' s favourite lines about Bharathiyar made me happy.
I enjoyed program very much. It fulfilled my day
I love this program, very much

Feed back about yuva shakthi
program

I am srinidhi from 1st year ECE
department from meenakshi
sundrarajan engineering college

I would like to thank you for
the wonderful program 'yuva sakthi
program' that was organized on
18/12/2022 on online. The program you
have organized is useful and all the
information you shared with us give me a
new perspective about serving and
helping others. The one I inspired more
about is their speech about thirukural.
They also shared some poems about
bharatyar and his poem which most
inspired them. They also spoke about the
importance of this program and also their

Yuva Shakthi Program

Yuva shakthi primarily focuses on the youth empowerment of our nation. It was a great opportunity for me to attend this session where I imbibed knowledge about cyber security and the risks associated with it. The group discussion about time management was really insightful. I truly enjoyed this session to the fullest. Looking forward to attend more yuva shakthi programs!

Thank you!

Yuva Sakthi Program

Yuva shakthi conducts online program for the empowerment of youth every week. The session started with a divine yuva shakthi prayer song. The session was a group discussion about the national youth policy drafted by the government to increase the productivity of youth. It gave me an opportunity to express my views on the policy drafted and it's flaws. Also I got new perspectives due to this session. I thoroughly enjoyed this session a lot and would love to attend more of yuvasakthi session in the future!

Thank you for giving me this golden opportunity!!

YUVA SHAKTHI Youth Welfare Association

Triple Heroes Tribute Program

INTER-COLLEGIATE POWERPOINT PRESENTATION COMPETITION

September 11 is a special day, on which Gandhiji started the Satyagraha, Bharathi had his last breath and Swami Vivekananda delivered the Chicago address. Coinciding the occasion, Yuva Shakthi has proposed to organise an Inter-Collegiate Power Point Presentation Competition.

GUIDELINES:

- The participants may be in the form of a single student or a team of two students
- The PPT should be focused on ONE of the following themes:
 - 1) Economic Freedom envisioned by Gandhiji
காந்திஜி விழைந்த பொருளாதாரச் சுதந்திரம்
 - 2) Intellectual Freedom envisioned by Swami Vivekananda
விவேகானந்தர் விழைந்த சிந்தனைச் சுதந்திரம்
 - 3) Women's Liberation envisioned by Bharathiyar
பாரதியார் விழைந்த பெண் சுதந்திரம்
- The presentation should be either in Thamizh or English or both
- The number of slides in the PPT should not exceed 15
- The Presentation time should not exceed 3 minutes
- Only One entry will be allowed for each single participant / team
- The participants should register their names (mentioning the names, college, year and course) via whatsapp to 9444190977 on or before 3.9.2022

MEENAKSHI SUNDARARAJAN ENGINEERING COLLEGE

363, Arcot Road, Kodambakkam, Chennai – 24

Minutes of Meeting

Date: 10.08.22

Venue: Library

Agenda: Planning for Youth Motivation program (I) for the academic year 2022-2023 (Odd semester)

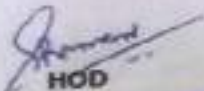

Convener: Head of the Department, Prof. Raman, - Humanities and Science

Members: Faculty members of Humanities and Science Department

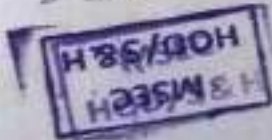

The following points were discussed during the meeting between the convener and the faculty members.

1. An offline session youth empowerment program will be conducted by Yuva Shakti through online mode on 15th August 2022 to commemorate our 75th Anniversary Independence Day Celebration.
2. The program will be conducted through online mode.
3. The program will have an eye opener session that will be conducted under the topic "Amrita Bharatham" by Captain Lakshmy Natarajan (Retd), Indian Army and Co-Founder (HEAL Academy)
4. The program is mainly conducted to sprout the strengths and wealth of our country, mainly the Youth Power of our country, Struggles to get the freedom by our great freedom fighters and Our current position to save the wealth of our nation.

FAREWELL AND HAIL

**End of the Indian Empire :
Birth of Two Dominions**

INDIA & PAKISTAN CELEBRATE

British rule in India ended at midnight last night, after 190 years. To-day the new Dominions of India and Pakistan are in being. At midnight in Delhi, capital of India, Lord Mountbatten ceased to be the Viceroy and became Governor General of India. It is understood in London that no position has been conferred on him. At midnight in Karachi, capital of Pakistan, Mr. Jinnah became Governor General of Pakistan. The Pakistan Constituent Assembly met yesterday afternoon and Lord Mountbatten was there to say farewell; but an absolute meeting, to meet, but a meeting among friends. The Indian Constituent Assembly held an independence meeting at midnight; the hour, said Mr. Nehru, the Indian Premier, when the world sleeps and India wakes to life and freedom. The United States announced yesterday that it is giving full diplomatic recognition to Pakistan. China is doing the same, and Egypt is to establish diplomatic relations with India and Pakistan.

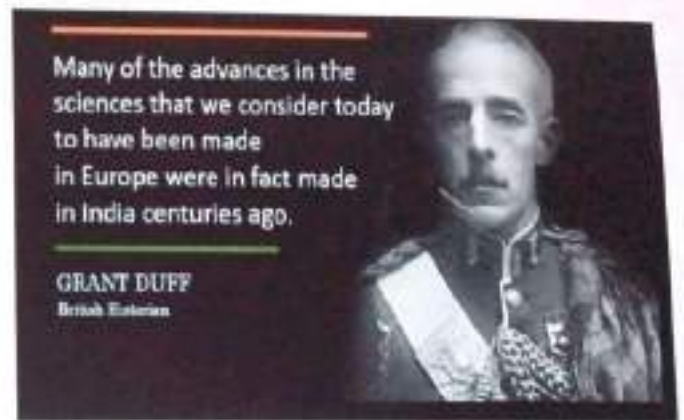

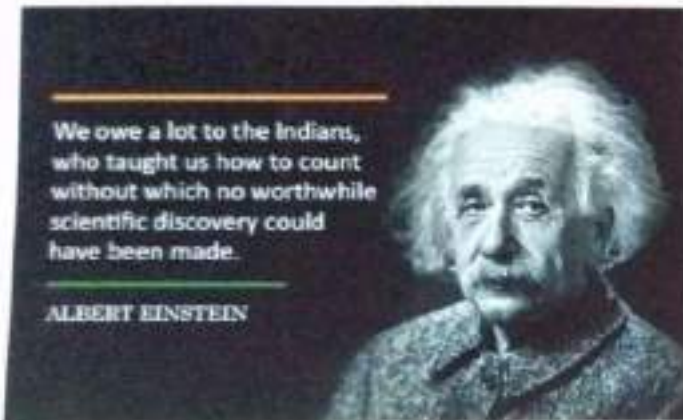

When the world sleeps and India wakes to life and freedom

"Objects fall on the earth due to a force of attraction by the earth.
Therefore the earth, planets, constellations, moon and the sun are
held in their orbits due to this attraction"

Source: Surya Siddhanta, Bhaskaracharya, 400 A.D

The Law of Gravity re-discovered by the great Sir Isaac Newton 1200
Years later in 1687 AD

Lunar Eclipse: Aryabhatah, 499AD
Modern Eclipse: Harley, 1715.

Moon as a satellite of the earth:

The moon, being a satellite of the Earth, revolves around it's mother
planet and follows the mother planet in it's revolution around the
self-luminous father planet (the Sun)

- India's contribution to the Science of Space is immense.
- India has built Indigenous satellites and sent probes to the moon and Mars, established nuclear power stations, acquired nuclear weapon capability and demonstrated firepower in the form of a range of missiles. Undoubtedly these are all fabulous achievements of Indian scientists and technologists
- Varahamihira also predicted the presence of water on Mars. The book had a detailed description of planet Mars. He had said in his book that planet Mars has both water and iron present on its surface, which have now been revealed by NASA and ISRO.

India Launches 104 Satellites From a Single Rocket, Ramping Up a Space Race

Today, ISRO achieved an important milestone in the Gaganyaan project by successfully test-firing the Low Altitude Super Motor of Crew Escape System (CES), from Chandrayaan-3.

CES takes away the Crew module in case of emergency & returns the astronauts.

- Scientists have confirmed the presence of frozen water deposits in the darkest and coldest parts of the Moon's polar regions using data from the Chandrayaan-I spacecraft, that was launched by India 10 years ago, Nasa said.
- Twenty Three years ago, on 11 May, 1998, India created history by conducting its second set of nuclear tests – Operation Shakti – in the Indian Army's Pokhran Test Range.
- Gaganyaan – Human space flight to low earth orbit – 3 Indian astronauts - s scheduled to launch no earlier than Q1 2023 on a GSLV Mark III rocket.
- Aditya L1 mission is to study Sun's Corona, Chromosphere and Photosphere.

Sushruta is known as the Father of Surgery.

- The fact that such a man in flesh and blood performed these surgeries a millennium before Hippocrates and two millenniums before European stalwarts like Celsius and Galen ever appeared on the scene is hard for most to realize and appreciate.
- *Salya-tantra* (surgical science). It embraced all processes aiming at the removal of factors responsible for producing pain or misery to the body or mind
- Sushruta also gave classification of the bones and their reaction to injuries
- He recognized diabetes and defined it as *Medhumeha*. He further explained it with Obesity and sedentary lifestyle, advising exercises to help cure it.
- Sushruta has covered accidental burns in its four degrees, the effect of heat-stroke, sun-stroke and frost-bite due to excessive cold and also the effect of lightning, which he calls *vidyut-dagdha*.

- India has emerged as the fastest-growing ecosystem for fintech innovations. This was made possible due to innovative digital payment products like UPI and Aadhaar-Enabled Payment Systems (AEPS).
- When banks and ATMs were shut during Covid-19, AEPS-based micro-ATM at CSCs and post offices provided doorstep delivery of cash.
- Unified Payments Interface (UPI) is a system that powers multiple bank accounts into a single mobile application (of any participating bank), merging several banking features, seamless fund routing & merchant payments into one hood. It also caters to the "Peer to Peer" collect request which can be scheduled and paid as per requirement and convenience.
 - National Payment Corporation of India - Pilot in April 2016
 - Gpay in 25th August 2016
 - Highest ever online transaction in first wave. (25.5B across platform)
 - FY22 – 46B transaction – amounting 41.03 trillion

- Digital ecosystem - From bulk messages to people in quarantine areas giving useful information and using digital technology for vaccination to digital education for students when schools were closed, there have been shining examples of empowerment, inclusion and opportunity.
- Leveraging the power of drones and GIS technologies, SVAMITVA Yojana is providing digital land records to the rightful owners. This will not only reduce disputes but also facilitate monetized digitized land for availing bank loans and enable scientific village-level planning. Nearly 2.14 crore land parcels have been digitised so far.

- The dabbawalas constitute a lunchbox delivery and return system that delivers hot lunches from homes and restaurants to people at work in India, especially in Mumbai.
- 260,000 transactions in six hours each day, six days a week, 52 weeks a year (minus holidays), but mistakes are extremely rare.
- The dabbawala service is legendary for its reliability. Since it was founded, in 1890, it has endured famines, wars, monsoons, Hindu-Muslim riots, and a series of terrorist attacks.

- Organization: A Clockwork Design
- Management: A Self-Organized Democracy
- Process: Simplicity, Flexibility, and Rigor
- Simple codes.

- Rigorous adherence to processes and standards.
- Culture: A Strong Sense of Belonging
- A Self-Reinforcing System

Bharatiya Yuva Shakti Trust, (BYST), as the name suggests, is a platform for Indian youth to turn their business ideas into profitable enterprises with the guidance and support of a mentor. – Guru Shishya way

Start Up India -The government has already launched the I-MADE programme to assist Indian entrepreneurs in creating 10 lakh (1 million) mobile app start-ups, as well as the **MUDRA Bank's scheme** (Pradhan Mantri Mudra Yojana) to provide micro-finance, low-interest rate loans to entrepreneurs from low socioeconomic backgrounds. [number four] This program has been allotted an initial capital of 20,000 crore (equal to 230 billion or US\$3.2 billion in 2019).

Atal Innovation Mission (AIM) is establishing world-class Atal Incubators (AICs) at the university, NGO, SME, and corporate industry levels to trigger and enable the successful growth of sustainable startups in every sector/state of the country, thereby promoting entrepreneurs and job creators in the country, addressing both commercial and social entrepreneurship opportunities in India and applicable globally.

The Atal Incubation Centres, which are led by the Atal Innovation Mission, give each AIC with a grant-in-aid of Rs. 10 crore. The funding will last for a maximum of 5 years. AICs, which are part of the NITI aayog, will provide financial and infrastructure support to startups in industries such as chemicals, technology hardware, healthcare & life sciences, aeronautics/aerospace & defence, agriculture, AI, AR/VR (augmented + virtual reality), automotive, telecommunication & networking, construction, design, non-renewable energy, and renewable energy.

E-Biz - This is the first government-to-business (G2B) internet platform. The portal's major goal is to reform and establish a business-friendly atmosphere in the country.

Multiplier Grants Scheme MGS was established by the Department of Electronics and Information Technology (DeitY) to "promote collaborative R&D between industry and academics/ R&D institutes for product and package development."

SIP-EIT is a program that provides financial assistance to MSMEs and Technology Startups in order to foster innovation and recognize the value and capabilities of global IP while also exploiting growth potential in the ICTE sector. The Ministry of Electronics and Information Technology is implementing Support for International Patent Protection in Electronics and Information Technology (SIP-EIT).

EVENT REPORT ON YUVA SHAKTHI PROGRAM

VENUE: Meenakshi Sundararajan Engineering College (KRS SEMINAR HALL)

DATE: 13TH AUGUST 2022

DAY: SATURDAY

On 13th august 2022(Saturday) the Yuva Shakthi program occurred. The gathering was addressed by Ms.Sanjula.T.N. The event begun with the prayer song followed by thamizh thai vazhthu sung by Ms.Ramya and Ms.Sriranganayaki. The welcome address was given by Dr.Arivazhagan sir. At 10.10 am, the ADZAP competition begun. The students from CIVIL, ECE and MECHANICAL department participated in the competition. After the competition, the chief guest Ms.B.A.Ashiq Cidhara, secretary of Yuva Shakthi presented on the topic of "Industrial and entrepreneurial Prowess of India". Students from various departments raised their questions to the chief guest and she answered them patiently. Among the four teams participated two were selected as winners and Dr.Arivazhagan sir distributed the prizes. Atlast the vote of thanks was given by Ms.Vaishnavi of IT department followed by National Anthem sung by Ms.Chithra Banu of ECE department.

CIRCULAR

10.09.2022

The meeting for Student Induction Program is scheduled on 14.09.2022 at Dean Academics Room at 10AM. All the members are requested to make it convenient to attend the meeting in the above venue.

Mrs.Siji Sivanandan
SIP Coordinator

Yours Sincerely,

Dr. K. Uma Rani
Dean Academics

AGENDA

1. Discussion about conducting SIP program for students through offline mode.
2. Discussion about the allotment of faculty members as coordinators/Mentors for the respective nine modules.
3. Discussion about arrangement of Venues and allotment of faculty members to run all the sessions smoothly.
4. Discussion about conducting the events like Cultural, Creative practices and physical activity.
5. Discussion about call upon Eminent persons for the respective SIP modules.
6. Motivate the faculty members to make use of ICT tools recommended by IQAC to run the sessions.
7. Discussion about the prize distribution to the students who wins in the events conducted during the sessions.
8. Any other point to be discussed with the permission of Chairperson.
9. Discussion about Feedback, Evaluation and valedictory session on the final day of SIP.

Resolutions:

The following points were suggested by the committee members during the meeting.

- As the SIP is going to be conducted through offline mode, the arrangement of Venues is finalized.
- As suggested in the meeting, the program will be conducted in respective eight classrooms with system arrangement and all the arrangements should be checked in previous day itself.
- All the nine modules to be introduced to the students.
- All the faculty members are encouraged to use ICT tools recommended by IQAC.
- The events like quiz, creative practices must be conducted in order to bring the hidden talents of the students.
- For module 3, Eminent persons from outside must be called and motivate the students by their talk.
- All the students must be kindled to keep their body hale and healthy, Yoga session may be conducted.
- Students must be familiarized with their department and their departmental activities.
- They should be enhanced with communication skills.
- Overall Feedback form must be given directly to the hands of the students on the day of valedictory.
- Discussion about having an interactive session with the students on the final day and prizes will be given on the same day.

The next meeting will be held on 27.10.22 to discuss the smooth conduction of SIP.

Resolutions :

The following points were suggested by the committee members during the meeting.

- The guidelines given by AICTE must be followed during the SIP session.
- The Student Induction Program will be conducted through offline mode.
- All the nine modules to be introduced to the students.
- All the faculty members are encouraged to use ICT tools recommended by IQAC.
- The first and foremost point to be noted is introduction of Universal human values to the students.
- Importance of physical activity and good health should be taken into their minds.
- All the students must be kindled to do creative practices and co-curricular activities.
- The students must be motivated to follow the speech given by eminent people.
- Students must be familiarized with their department and their departmental activities.
- They should be enhanced with communication skills.
- The arrangements should be monitored in the previous day itself.

We are extremely happy to express our sense of gratitude and blessings to our teachers for their active participation in this 2 week Students Internship Programme. Without your co-operation this Students Internship Programme would not have been possible.

A two week Student Induction Program was organized for the 1 Year students of Meenakshi Sundararajan Engineering College From 07th November, 2022 This program is majorly aimed to acclimatize the 1 year Engineering Students to the new environment and create a bonding between the Teacher and Student, making them feel at ease. The Induction Program was inaugurated at 9:00 AM on 07-11-2022 in Mechanical Seminar Hall with a warm welcome to the 1 year students. The Secretary, Director, Principal, Deans & HoDs briefed them on the importance of the Induction Program and advised them to embrace the value & essence of carrying technical perception in solving day-to-day problems of society and nation. The activities under the Induction program were carefully planned such that the new students are provided with basic information and prerequisites needed for engineering courses and their chosen domain specialization. Understanding of society, ethics and human relationships were part of value added programs intending to build character with essential qualities, to become a fulfilling engineer, a good citizen and a peaceful human being.

As per AICTE guidelines, the Student Induction Program was organized as 9 modules.

- Module 1- Universal Human Values
- Module 2 – Physical Health and related activities
- Module 3 – Familiarization of Department
- Module 4 – Visit to Local area through video and Commentary
- Module 5- Lectures by eminent people
- Module 6 – Proficiency Module
- Module 7 – Literature/Literary Activities
- Module 8 – Creative Practices
- Module 9 – Curricular Activities

Universal Human Values was conducted for a total of 24 hrs. Where each department had 3 hrs which was taken by AICTE certified UHV faculties. Our college has nearly 45 certified staff and 24 staff members took classes on the topic of Self Exploration, Introduction to Value Education, Understanding Harmony in the Human Being . Students showed a large interest in learning the most important values of life.

For Physical and Health activities Yoga Program was conducted for all department students. An external expert Mr. Sivan Qualified Yoga Therapist & Certified Yoga Trainer at HEARTFULNESS , Healthy Yoga Research Center, explained Objectives & Outcomes of Yoga, Importance of yoga, Benefits of Yoga practice, Flexibility & Mobility Asanas, Surya Namaskara Asanas, Sitting Asanas, Immunity boosting asanas and Stress Management and relaxation techniques. The goal is a balanced life, with time for work, relationships, relaxation, and fun - and the resilience to hold up under pressure and meet challenges head on.

Session on Familiarisation of Department. Our beloved principal Dr.P.K. Suresh sir and HOD of Humanity and Science Professor Raman Sir explained about our college and about the infrastructure, facilities and achievements of MSEC . HOD's and the senior staff of the respective department gave a detailed presentation regarding the scope of the department, the latest technological developments, the lab facilities, placement facilities, different technical societies, platforms available like E-Cube and PRANAV to showcase their knowledge and talent.

The Visit to the Local area. A virtual tour of our chennai city was presented to our students by our faculties. The history of the famous landmarks and the development of our city were highlighted.

Lectures by Eminent people. Guest lectures are a great way to help the students gain a perspective on many different things in the world. Eminent personalities in different fields of expertise like academics, sports, industry, business etc. shared their story and talked about important subjects like career, entrepreneurship, government policies, technology etc. We had guest speaker Mr. P.B. Balaji Advocate madras high court who gave importance to our students with his busy schedule in the court. Then we had Mr. Adarsh Pachera deputy commissioner of police T.Nagar and Mr. Bharathi Raja Assistant commissioner of police, talk about the opportunities that lie around us. Then

Dr. Krishnamoorthi plastic surgeon talked about human values. Industrialists came and addressed our students and explained about the scopes and opportunities in their respective fields. Students and made to interact with our college alumnis so students can know more about their department.

Proficiency Module was an important session for the students to enrich their employability skills. For a student to embrace true professional values, a class was taken by our faculties . they explained on the requisite communication skills, body language and presentation format one needs to live by for a successful interview. They were taught on how to introduce themselves in an improved and professional manner.

In literary and literature activity Students got the awareness about history and culture of ancient people from various poems and life style of kings which are given as examples. An eminent Tamil debat speaker Mr.Ponki Perumal came and talked about the beauty of tamil in the topic தமிழின் தொன்மை. Faculties from MEENAKSHI womens college came and addressed students and discussed on the topics An exposition to humanistic culture and values in english and in tamil. Our very own faculty assistant professor Sriram sir from IT department discussed on a wonderful topic வள்ளுவம் காட்டும் வாழ்க்கை நெறி . Then students were introduced to a new language Japanese which they will be learning during their first year. The team from ABK ATOS DOSAKAI explained the benefits of learning japanese and the scope they have in future.

Session on creative practices was organized by our senior students. Ms.Chitra Banu from III ECE, Ms.Ramya and Ms. Keerthanai from II AI&DS explained about the value of fine arts and took our students to a divine journey with their blissful voice.

Session on extra Curricular activities was presented by Mr.Pradeep final year EEE department. He entertained our students by showing some mind boggling magic tricks.

Finally a feedback session was conducted, every student expressed their excitement, how their interest towards the course increased after Student Induction Program.

MEENAKSHI SUNDARARAJAN ENGINEERING COLLEGE					
SIP 2022-2023 Feedback					
Name of the Student	Department	How are you satisfied with the Student Induction Program?	Has your Induction program helped you to understand your department?	What information that you need that was not covered in the induction program?	Suggestions, if any?
RAIYAN AHMED R	MECH	Very good	Yes	All information covered	Nil
Seyanth V	CSE	Very good	Yes	Sports	Nothing
Swathi V J	CSE	Good	Yes	Not anything particular, but they tried to give us all the informations which was required for the dept and regarding placements as well	No
Vibul K	MECH	Good	Yes	No needed	Nothing
Vishnu S	MECH	Very good	Yes	No	No
M.PRIYA VARSHINI	CSE	Good	yes	all was covered	no
CH.Chandrasekh Abhi	CSE	Good	Yes	All the informations was given to us , there is nothing that left untaught.	The SIP program was decent and well taught . It would be good if we get SIP programs for each semester
S. Hari Prasad	CSE	Very good	Yes	Nothing	No
PRAMOTH BAVAN R.	CSE	Very good	Yes	-	-
Sooryapriya S	CSE	Very good	Yes	Nupe I think so	No
Srikanth R	MECH	Good	Definitely yes	Not too involved in the topics	Nothing
Anjana rao	CSE	Very good	Yes, very much	I had everything that I need to know covered	None

Mohideen Abdul Azu. M	CSE	Good	The student induction pro	Nothing	Nothing
Langarwar	IT	Good	Yes	Nil	Nothing to say about
KEERTHANA P	CSE	Good	Yeah	Nothing	No
SHANMUGAHARINI S	CSE	Very good	Yes, It was very useful for	Almost everything is covered in induction program.	Nil
Thirumurugesan	CSE	Good	Yes	About our curriculum of 4 years was not covered much in the sip	Can bring some more persons who studied in this field and working now other than entrepreneurs
Meenatchi	CSE	Good	Yes	Nothing	No
R. Magreshwaran	CSE	Very good	Yes	They covered almost everything	Nothing
Ajitha J	CSE	Good	Yes	Every information was covered	Could have conducted more activities
A P Aarthi	CSE	Very good	Yes	Nothing	Nothing
M. MATHAN	CSE	Good	Yes	Nothing	No
Kamularsi. R	CSE	Very good	Yes	Everything was covered	Nope
M Sanjana	CSE	Very good	Yes	Nothing	No
Reena V	IT	Very good	Yes, It was very informative.. had a clear idea of the scope.	-	-
K.E. Sasi Sathya	CSE	Good	Yes	Nothing.	Nothing
B.Bhuvaneshwari	CSE	Very good	Yes	No	No
R. DEEPALAKSHMI	CSE	Good	Yes	cultural can be added, jovial speech with our professors	There should be more interactive session with seniors and add few more entertainment like conducting game, etc.
K. Prathibha	CSE	Good	Yes	Everything covered	-
