7.3.1 QIM Portray the performance of the Institution in one area distinctive to its priority and thrust within **1000 words** -

Placing the students in top MNCs with higher packages is the primary key focus of MSEC. The institution maintains an average of 90% placements (out of the number of students opted for placements) with above 95% placement in 2022-23.

MSEC established a well-structured system to ensure good placements for all the students.

INITIATIVE BY THE INSTITUTION:

1. ACADEMIC EXCELLENCE

- Institution is accredited by the National Board of Accreditation for 3 years from 2023 to 2026.
- College is ranked number 7 in Tamilnadu as per the rank list published by Anna University based on the academic results of the April/May 2022. MSEC consistently produced university ranks and good results.
- Membership of various Professional associations including CSI, IEEE, etc. provides a platform for the faculty and students to participate in workshops, lectures and seminars organized by these associations.
- Eminent speakers are invited for seminars, guest lectures, and workshops for knowledge upgradation of students on various technologies and Career Counselling.

2. SKILL DEVELOPMENT

ACHIEVE EXCELLENCE PROGRAM

Achieve Excellence Program (AEP) of MSEC, is designed with special consideration to the needs of high achieving learners who thrive on being extended. Top performing students are selected from each department and they are given special attention by guiding them to participate in webinars, seminars, workshops, etc. to improve their knowledge and get placed in higher package companies based on their performance.

ENRICHMENT, ENHANCEMENT, EMPOWERMENT (E³)

MSEC conducts a "one week E³ program" during every semester to ensure the holistic development of the students. Paper Presentation event is conducted to encourage/explore the advancements in various technologies and Industry practices. All 2nd, 3rd and 4th year students are encouraged to present papers to help them to share their knowledge through interaction with the participants, improve their technical knowledge, presentation skills and confidence level.

PLACEMENT TRAININGS:

The college organizes Guest Lectures, Industrial visits, and Internship/ In-plant training programmes to support students to enhance their technical knowledge.

Intensive skill development programmes are conducted to help students to improve their skills. Extensive training is provided to students in programming languages such as C and C++. It helps students to get placed in IT Sector. Mock interviews are organized for pre-final and final year

students. The English Department conducts various activities such as essay writing competition, elocution and group discussions, periodically by helping the students to improve their communication skills.

Seminars, workshops and webinar are conducted regularly on current trending topics by eminent personalities from various industries to keep the students updated in advanced technology. Technical activities like symposium and field visits are arranged to expose the students to the real time challenges of the society. Students gain work experience through internships in reputed companies.

PLACEMENT RECORD:

To ensure career opportunities for the students, the college has introduced various programmes to educate, train and support students. The placement cell of the college is working rigorously to ensure that all students are getting job offers in reputed Industries. MSEC students are placed in various reputed companies and organisations like Tata Consultancy Services, Amazon, ZOHO, HCL, IBM, Accenture, Larsen & Toubro , Juspay and Paypal.

In the academic year 2022-23, 283 students graduated in their respective courses
