

Young Scientists Convention

14th March 2020

Electrical Technocrats Association (ETA) of the Department of Electrical and Electronics Engineering conducted 6th meet of Young Scientists Convention (YSC) on 14th March 2020. YSC is an annual event conducted to celebrate the birth anniversary of Dr. Albert Einstein. YSC is aimed at inculcating research among young minds. **YSC Medal** is awarded to the best presentation, every year, to encourage students.
