# CENTRE OF EXCELLENCE

# ABOUT OUR COLLEGE

With the blessings of...

**Prof. K R SUNDARARAJAN**  
(Founder)

Meenakshi Sundararajan Engineering College (MSEC) was established by the IET Society in 2001. This institution is a part of the prestigious KRS Group of Institutions which also includes the renowned IET (Indian Institute of Engineering Technology) established in 1947 by our Founder Late Shri K.R.Sundararajan, the well-known Meenakshi College for Women and the more recently established Meenakshi Sundararajan School of Management. The institutions on the KRS Campus are known for the quality education they impart and their stringent levels of discipline. We have consistently outshone all our peers, not only in academics, but in co-curricular activities as well.

Since inception MSEC has shown consistent performance in academics and extra-curricular spheres. The management strives constantly to develop this institution into a "CENTRE OF EXCELLENCE" imparting Engineering education to young men and women, grooming their overall personality with the highest emphasis on ethical values and honing them to face the challenges of the industry and the nation at large.

## **VISION**

To emerge as a centre of excellence in offering quality education to produce students technically competent, socially responsible and industry ready graduates in electronics and communication engineering.

## **MISSION**

**The above vision will be achieved by,**

1. Ensuring effective teaching learning methodologies.
2. Inculcating creative thinking through innovative and group work exercises.
3. Developing and motivating research ability among student by establishing research linkage with leading industries.
4. Equipping faculty and students with the latest developments in Electronics and Communication and to face the challenges.

ALUMNI OF OUR COLLEGE

"The placement cell did a really commendable job by honing our skill sets to the requirements of the industry and also getting us game ready for the placement seasons. I am thankful for the various opportunities provided by the college to equip myself academically and professionally. Special mention to the college management for providing us with quality education at an affordable cost."

**S.B.RAGHAV**  
**ECE (2014-2018)**  
Member Technical staff  
Zoho Corporation

"I feel honored and privileged to introduce myself as an alumni of this prestigious institution. Having held various responsible positions here, management helped me to realize my organizing and leadership potentials. The Placement Cell had given me exposure to explore myself which I could see as a major difference when compared to my colleagues in my workplace. I feel proud to say "Sun may set in East, but our placement records will never set"."

**SHRAVAN BALAJI**  
**ECE (2015-2019)**  
Associate consultant  
Kaar Technologies

"The four years in college was like four important phases of my life. I will say 'If first three years were chapters of a story then last year would be the summary'. I also felt greatly honoured to hold positions like Vice President of my department's club and Placement Coordinator. These things gave an outlook of college's immense efforts to make us truly flying colours. To me, MSEC was "Master in Social and Ethical values Coaching" than an engineering college which I consider crucial in life than concepts of science."

**GANESH KUMAAR S**  
**ECE (2015-2019)**  
Associate Software Engineer  
Robert Bosch Engine and Business solutions Pvt. Ltd
