MSEC WEB DESIGN COMPETITION

MSEC announces a website design competition and invites designers to demonstrate their best creative website designs. Submissions are expected to consist of one design for the institute website.

Rules & Regulation

- The competition is about designing the layout of a website using the basic HTML codes which are taught to the students in their curriculum as well.
- Group submissions are allowed, from groups with a maximum of 3 members.
- The design must be suitable to accommodate the content on the institute's current website www.msec.edu.in.
- Ensure that the submission does not use any copyright-infringing material or any logo without permission by the entity which holds the rights for its use. All content must be yours, or you should have the right to use and license it. Do not post photographs of people without permission.
- The design should be suitable for computer screens, tablets and mobile phones.
- They will have to finish their coding within 2 hours and best designed webpage or site will be decided the winners. (1st, 2nd and 3rd).
