NAME : VISITING SPECIAL CHILDREN FOR DONATION OF FOOD

DATE : 25TH AUGUST 2016

VENUE : MY CHILD FOUNDATION FOR MENTALLY CHALLENGED CHILDREN

DESCRIPTION

A day was spent with the special children in my child foundation by the students of Meenakshi Sundararajan Engineering college during the academic year 2016-2017. It was a good experience for all the students who were involved in it. There they were, children beautiful though with some disabilities, waiting for us with eager faces. There were about 30 of them ranging from children from the age of 1 or 2 to some with ages up to 20. All were peaceful and happy with their joyous faces and mingled with us casually. We had some time to rapport with them and remove the feeling of anonymity between us. Some of us developed a special bond with them, and it was a happy and positive environment

Both the boys and girls involved in this activity bonded well with the children and the people who owned this place were very sweet with us. They were very respectful to us and spoke in a nice manner.

REPORT ON HEPATITIS AWARENESS CAMP

Date: 23.07.2019

Over 400 million people are infected with the chronic *Hepatitis* virus worldwide, out of which 290 million people are living with Hepatitis B and C, unaware. *Hepatitis* refers to an inflammatory condition of the liver and is classified into A, B, C, D, and E, out of which Hepatitis B and C are the most severe and deadly diseases. The most significant **difference between hepatitis B and hepatitis C** is that people may get **hepatitis B** from the bodily fluids of an infected person. **World Hepatitis Day**, observed on July 28 every year, aims to raise global awareness of hepatitis. With a similar initiative, Meenakshi Sundararajan Engineering College conducted a Hepatitis screening camp at the college premises in Kodambakkam, for the students to obtain consciousness about Hepatitis and to educate them about the impact of the infection, prevention, screening and control.

The Awareness camp began on July 28th at 9:00am. R.Kalai Selvam, President of the Lions Club of Elite Stars District 324 A1, welcomed the gathering and mentioned that it was vital to educate the youth about hepatitis awareness and added that he was glad that over 293 students from Meenakshi Sundararajan College turned up at the camp. The session was inaugurated by Manickam, Vice district governor, who said that the students must know the ways the disease spreads and the ways to prevent it. The treatment was explained methodically with live examples. The chief guest, Dr.Vengateshwaran, HOD, Gastroenterology, MMC addressed the students, explaining to them the threats of the disease and the means of transmission. He also stated that World Hepatitis Day was observed annually, to commemorate the birthday of Dr.Baruch Blumberg, who discovered the viral in 1967. Professor Dr.Murali also interacted with the students, and explained to them about the disease in detail, adding the need for screening and control. The Secretary of Meenakshi Sundararajan Engineering College, Dr. K.S.Babai inspected the proceedings, which saw 293 students and 40 professors being screened for the virus. The campaign was concluded successfully at 1:00pm.

World Hepatitis Day, 28 July, is an opportunity to step up national and international efforts on hepatitis, encourage actions and engagement by individuals, partners and the public and highlight the need for a greater global response. About 9 in 10 men, women and children are going about their lives not knowing that they are harboring a cancer-causing virus. By conducting a free Hepatitis B&C screening and awareness camp under the theme '*Find the missing millions*', Meenakshi Sundararajan Engineering college ensured that its students gained awareness about the disease and the consequences that might occur if it's left unchecked.

Dear Students,

Greetings from Bala Mandir!

We are extremely glad that you have sponsored some of our needs as per our request. We feel very proud to have you display this sense of social responsibility.

You have provided us with kitchen utensils and Children needsworth about Rs. 95,000/- for which the 300+ children growing up in Bala Mandir would be the direct beneficiaries.

We are immensely grateful to you for this wonderful gesture by you who have been so generous in your contribution. The way you did the distribution was very organized and you were a very enthusiastic lot.

We give our heartfelt thanks to your Principal and Department Heads who took the trouble of inculcating you in giving to the underprivileged.

We hope for your bright future so that you will always be able to help children who come from a background of deprivation.

With regards,
In the service of Children

TREE PLANTATION

The Tree Planting program was carried out on 09.09.2019 by the NSS and YRC of Meenakshi Sundararajan Engineering College. A total of 30 trees have been planted successfully in and around the college campus. The program ended with group photographs. Tree planting programs encouraged interest among the students towards the nature. This Tree planting program provided an opportunity to the students to get involved in the environment and natural resources conservation. Students become aware that they can play a role in protecting the environment through personal involvement. So it is the responsibility of each and every citizen of the country to build a cleaner and greener environment by planting trees. “WHAT WE ARE DOING TO THE FOREST OF THE WORLD IS BUT A MIRROR REFLECTION OF WHAT WE ARE DOING TO OURSELVES AND ONE ANOTHER”.

NAME : PLANT THE TREE, GREEN THE EARTH

DATE : 24/08/2018

VENUE : MEENAKSHI SUNDARARAJAN ENGINEERING COLLEGE

DESCRIPTION

Our college organized a tree plantation programme on the occasion of World Environment Day. The program started with prayer at 8 in the morning. All the students and teachers participated in this program. Also, some local municipality department officers have participated in our program. They guided us on how to plant a sapling properly. The aim of the program is to plant a total of 500 saplings on the college campus and nearby local areas. One by one student and teachers started planting saplings. Firstly, we started planting saplings in the garden of our college campus and after that, we planted saplings in the nearby local areas of our college. Students also made some posters and banners on the importance of tree plantations. We pasted banners and posters in the area around our college. Our collage committee has organised an amazing event to make plant more trees and make the earth more green. Thanks to the departments.

10.02.2017

Respected Madam,

On behalf of Single Teacher Schools we would like to thank Meenakshi Sundararajan Engineering College for donating us a building with Toilet for the Single Teacher School in the following villages of Thiruvallur district Melanur, Velagapuram & Velliyur, Villages.

It is because of the generosity of Meenakshi Sundararajan Engineering College that we are able to teach 112 children in 3 villages. For this, we thank you and greatly appreciate your support. Moreover you have donated the building with Toilets for girls and boys separately and other facilities.

It was very nice that Meenakshi Sundararajan Engineering College provided other amenities including Sanitation for the comfortable study atmosphere for the students.

We would like to thank you again for this aid that will help us change the life of many children by providing them education.

Thanks & Regards

(R.P. Krishnamachari)
