INSTITUTIONAL DISTINCTIVENESS-OUTCOME

Cognizant

Reg: Testimonial

Cognizant is proud to be associated with Meenakshi Sundararajan Engineering College (MSEC), an institution of repute that focuses on the holistic development of young individuals through both academics and extra-curricular endeavors. We have collaborated with MSEC for the past 5 years, identifying top talent from across departments to be the company's future-ready associates. Cognizant has hosted numerous engagement activities in MSEC including but not limited to: MasterCode, Evolve, Cognizant student club initiatives, skill development programs for faculty members, guest lectures, industrial visits etc. One of our much sought-after events, The Big Idea, is an ideathon aimed to reward innovation and radical thinking. The team from MSEC performed exceptionally well and won the first edition of this contest. All these efforts have helped equip the students with the skills of tomorrow, enabling them to be highly contributing members of the workforce. We look forward to continuing our mutually beneficial equation with MSEC and hope to onboard more of their driven and motivated students into Cognizant.
