Placement

Placing the students in top MNCs with higher packages is the primary key focus of MSEC. The institution maintains an average of 90% placements (out of the number of students opted for placements) with above 95% placement in 2020-21.

MSEC established a well-structured system to ensure good placements for all the students.

In the year 2016, the highest package of 4.9 Lakhs/Annum was offered by Verizon for the students of Meenakshi Sundararajan Engineering College.

The number of core companies that visited our campus during the year 2016 was low. We took this issue into consideration and started feeding our students with the following strategies:

- Gave the students an in depth training in their core subjects.
- Enriched their knowledge with content beyond syllabus.
- Initiated workshops and seminars on current evolving trends.

UNIVERSITY RANKS:

The subjects that constitute the curriculum give the students a strong foundation in Electrical and Electronic fields. The department lays emphasis on knowledge-based training. The faculties not only empower the students with conceptual depth but also enable them to meet the requirements of the industries. Even when subjected to such frequent, time consuming events throughout the year, the students continue to impress in the academic field. They have consistently maintained their academic profile to match any other top ranking university. It is notable that the students have performed consistently in the University examination.

The 2016-2020 batch of EEE department of Meenakshi Sundararajan Engineering College has bagged three university ranks. They have made us proud with their achievement.

Achieve Excellence Program & E-CUBE

ACHIEVE EXCELLENCE PROGRAM

Achieve Excellence Program (AEP) of MSEC, is designed with special consideration to the needs of high achieving learners who thrive on being extended. Top performing students are selected from each department and they are given special attention by guiding them to participate in webinars, seminars, workshops, etc. to improve their knowledge and get placed in higher package companies based on their performance.

ENRICHMENT, ENHANCEMENT, EMPOWERMENT (E³)

MSEC conducts a “one week E³program” during every semester to ensure the holistic development of the students. Paper Presentation event is conducted to encourage/explore the advancements in various technologies and Industry practices. All 2nd, 3rd and 4th year students are encouraged to present papers to help them to share their knowledge through interaction with the participants, improve their technical knowledge, presentation skills and confidence level.
