

About the College

Meenakshi Sundararajan Engineering College (MSEC) was established by the IJET Society in 2001. This institution is a part of the prestigious KRS Group of Institutions which also includes the renowned IJET (Indian Institute of Engineering Technology) established by our renowned Founder Late Shri. K.R.Sundararajan, the well-known Meenakshi College for Women and the more recently established Meenakshi Sundararajan School of Management. The institutions on the KRS Campus are known for the quality education they impart and their levels of discipline. We have consistently outshone all our peers, not only in academics, but in co-curricular activities as well. The institution is accredited by National Assessment and Accreditation Council (NAAC) with A grade and accredited by NBA for programs applied. The institution is recognized by UGC with 2 (f) & 12 (B) status. This is a recognized Research Institute by Anna University, Chennai. Since inception MSEC has shown consistent performance in academics and extra-curricular spheres. The management strives constantly to develop this institution into a "CENTRE OF EXCELLENCE" imparting Engineering education to young men and women, grooming their overall personality with the highest emphasis on ethical values and honing them to face the challenges of the industry and the nation at large.

About the Department

The Department of **Computer Science and Engineering** was established in 2001. It has its mission to inculcate innovative thinking and analytical abilities in addition to imparting quality education in the theory and application of Computer Science and Engineering. The department offers UG and PG programmes with State-of-the-art Computer laboratories equipped with high end hardware and software packages provided with high-speed leased line connectivity. The department takes pride in its academic excellence and outstanding placement records. It has consistently produced 68 university rank holders till 2023 batch and accredited by National Board of Accreditation.

About the conference

SecureSphere 2026: National Conference on AI- Driven Cloud and Information Security is scheduled to be held on 6th March 2026 at Meenakshi Sundararajan Engineering College, Chennai, India. The Forum will be an excellent opportunity for students and researchers to present their ideas and discuss the entire spectrum of topics in the areas of Computing Technologies. The conference proceedings will be published with ISBN.

Call for Papers

To share the knowledge of the academicians and research scholars of various institutions by bringing out their innovative ideas and research work.

The researchers, academicians, industrialists and UG/PG students are invited to submit their original contribution of their research. The themes include (but not limited to):

- AI Threat Detection
- ML for Malware Security
- Intelligent Intrusion Systems
- AI in Cloud Security
- Data Privacy with AI
- AI-Based Access Control
- Adversarial AI Defense
- AI Network Security
- Automated Incident Response
- Future AI Security Trends
- AI for Fraud Detection
- Zero Trust with AI
- AI for IoT Security

Important Dates

Last date for

- Paper Submission – 22.2.2026
- Notification of Acceptance– 25.2.2026
- Registration & Camera-ready paper submission – 2.3.2026

Conference Date – 6.3.2026

Registration Fees

Category	Registration Fees
UG/PG Student, Research Scholar	Rs.500/- *
Faculty members, Academician	Rs.750/- *
Industrialist	Rs.1000/- *

* Additional Author Certificate Rs.150/-

REGISTRATION FORM
SecureSphere 2026
**National Conference on AI-
Driven Cloud and Information
Security**
